Recognizing guidance

Personal or family study · Read at your own pace

Bring a real question, give it thoughtful attention, and leave room to learn over time.

01 **Allow understanding to grow**

Read about light received over time. What has become clearer through patient study?

02 **Study a decision with care**

Read the discernment guidance. What information or wise counsel would help you act responsibly?

03 **Keep seeking when an answer takes time**

Read the section on waiting. What faithful next step can you take while a question remains open?
